## Anglo-Arabian Sauces and Dips

Terra Rossa brings a taste of Arabian cuisine to Surrey, with a range of locally made sauces and dips infused with Middle Eastern flavours. Using a combination of fresh ingredients and a Great Taste Award-Winning range of extra virgin olive oils and herb mixes, Zaatar, Dukka and Sumac\*, these versatile sauces can be opened and enjoyed with fresh bread, rice and pasta dishes, as a condiment or marinade for meat and fish.

**Zaatar & Pine Nut Sauce** is made with Sinolea, Terra Rossa's top of the range cold-drip extracted extra virgin olive oil, Zaatar, a scrumptious mix of thyme, sesame seeds and sumac, and topped with dry-roasted pine nuts. It is traditionally eaten with Greek yoghurt, makes a fantastic marinade for meat and forms the main ingredient for making Manaqeesh – the ubiquitous Levant Pizza.

**Dukka Harrisa** is made with fresh tomatoes, chillies, shallots, garlic and Dukka. It adds warmth and spice to houmous, home-made pizza topped with Haloumi cheese, soups and stews.

**Aubergine & Tomato Relish** is made with roasted aubergines, tomatoes, shallots, chilli, Zaatar, Dukka, date and pomegranate molasses. It's great for topping jacket potatoes, dips such as Baba Ganouch or guacamole, or cooked with vegetables and chick peas and eaten with couscous.

**Olive & Tomato Relish** is made with olives, tomatoes, shallots, garlic, Zaatar, Dukka, date molasses and pomegranate molasses. It is delicious as a dip on its own with your choice of crudities or can be stirred through pasta for an easy mid week family meal.

**Fiery Zhoug** is made with fresh green chillies, coriander, parsley, shallots, celery, cucumber, ginger and garlic. It is wonderfully refreshing with Greek yoghurt and can be enjoyed as a dip, added to new potatoes for that extra flavour or used as a marinade for fish.
