Olive & Tomato Relish with Sweet Red Peppers

About this Relish

- Made with juicy tomatoes and Middle Eastern olives that are individually pitted one by one and seasoned with the fragrant flavours of Zaatar, Dukka and zesty Sumac.
- It is delicious as a dip on its own or for topping fresh dips such as houmous and guacamole or enjoyed as an aperitif and makes a good condiment to a cheese board and barbecued meat.
- It makes a tasty filling for omelettes and stuffing for vegetables such as potato skins, butternut squash and bell peppers and when topped with cheese.
- Naturally sweetened with tomatoes, pomegranate and date molasses, it transforms a simple bowl of spaghetti into a favourite supper for the whole family especially when topped with Mozzarella and fresh basil leaves.
- Use it to add flavour to grains such as burgul or Freekeh topped with caramelized onions and slivered almonds for an easy healthy salad.
